'Being His Presence in Every Place' Series: As God's people, we are called to be salt and light in this world. This series is purposed to **challenge** and **equip** people to be His Presence where they are, with the gifts God has given them. It is supposed to combine a teaching & practical approach, including tools like the spiritual gifts survey & art to engage with the topic.

2 Corinthians 2:14b "... Now he uses us to spread the knowledge of Christ everywhere, like a sweet perfume."

Part 1: “Being”

The initial sermon will address a shared need to PAUSE and slow down, so that God can correct our course. It will encourage people to remember God’s goodness and their call to live differently. It will touch on the upcoming services which will address this concept of ‘Being **His Presence**’ and ‘**in Every Place**’ in more depth.

Part 2: “His Presence”

Identity. If you are going to be God’s presence, you need to be grounded in your identity. You need to cover yourself in truth. This is creative way for people to engage with God through art. We will provide paper and paints and stickers and pens etc. for people to use creativity to express..

Part 3: “In Every Place”

Spiritual gifts. What are their purpose? Why does God give us gifts? How has God gifted me uniquely? How can I be His Presence “In Every Place”? Encourage people to participate in a spiritual gifts survey and share their results.
