HOME

Welcome to Springwood today! It is my sincere prayer that you find peace and rest in Christ and that you really feel 'at home' with the God who cares for you!

It is also my prayer that you find a sense of belonging and acceptance here at Springwood Church of Christ and that all would feel 'at home' in this vibrant multi-generational Christian community.

The idea of 'home' has been very much on my mind in recent times. Just last month Wendy and I moved into our new home in Daisy Hill. After seven months living in four different residences and spending nearly every Saturday doing Open House inspections, we were certainly glad to settle into our own house. Even with half-opened boxes in the garage – and a growing list of things to do or buy – there is something wonderful about feeling 'at home'.

The move into our own home signals our heart to put our roots down in the local community. We love the area with all its trees, parks, breezes – and proximity to both City and Coast. We are getting to know our way around the local shops and cafes. Indeed, I think Wendy has been to nearly every café in the region as she has caught up for chats with Springwood women! And whilst we know that our Springwood Church community comes from far and wide – it was still important for us to dwell in the heart of this community and to be close to our church facility which is the hub for much of our outreach, worship and fellowship.

The move has also heightened our sense of being 'at home' among the people of Springwood Church of Christ. Church literally is people and we have loved getting to know the people of this Church. We have also valued the opportunity to get to know a growing number of people who are new to this church community.

As we consider the idea of 'home' let us remember that God is building and bonding us together to be a 'house' in which His Spirit may dwell. "You also – like living stones – are being built into a spiritual house, to be a holy priesthood, offering spiritual sacrifices acceptable to God" (Titus 1:5 NIV).

Sharing the journey of Life, growing together and encouraging each other. God made us to be in relationships... a relationship with Him and in relationships with people.

Life Groups are a place where you can spend time with others who share something in common with us – a desire to learn and grow in their relationship with Jesus.

On Saturday 29th August we had 50 ladies at our Women@Springwood Brunch event. In the beautifully decorated room, women had great connecting conversations, were served sensational food, and blessed with beautiful gifts. There was an overflowing sense of gratitude. Robyn Dauer with her intuitive interview style drew out some insightful facts and thoughts from Ana Bello and Wendy White.

Just ask anyone who attended about their experience and I believe you will get a glimpse of our entertaining enjoyable morning. Make sure you do not miss our next event...
