Document Details	
Endorsed by the Board Date: March 2022	Contact Officer: Name: Leanne Thomson Position: Safe Ministry Contact/Administrator

Purpose

The purpose of this Child and Youth Risk Management Implementation Strategy is to assist in reporting to the Church Eldership how we are meeting the requirements of the Churches of Christ in QLD Safe People, Places and Programs policy and the relevant legislation.

In order to comply with the legislative framework, a Child and Youth Risk Management strategy must address eight (8) minimum requirements. These requirements form part of the table below.

Scope

This strategy applies to the Board, all staff and volunteers engaged with Springwood Church of Christ and associated entities.

The components of the strategy include:

Requirement: This sets out the 4 Key Areas and 8 Mandatory Requirements as set out in the *Working with Children (Risk Management and Screening) Act 2000* and the *Working with Children (Risk Management and Screening) Regulation 2011*.

Action/s: Intentional actions, programs and processes that have been developed and will be implemented. The **Action/s** must be specific and expressed in terms that can be assessed and evaluated as to their effectiveness.

Reference: Describes the policy, procedures, protocols and other guidelines which form the authority for the particular **Action/s**.

Responsible Officer: This identifies the particular staff member who has responsibility for the development and/or implementation of a particular Action/s.

Evidence: This identifies those things which can be objectively examined and will demonstrate that the Action is in place and is being applied correctly.
